Jack Welch's widow sells Upper East Side townhouse for \$23M

By [Jake Indursky](#)

Suzy Welch has completed her push to downsize [on the Upper East Side](#).

The author and widow of former General Electric CEO Jack Welch sold her Upper East Side townhouse at 160 East 81st Street for \$23 million, property records show. Welch had listed the home in November with Corcoran's Deborah Grubman for \$26 million. Justin Rubinstein of Compass represented the buyer.
